On August 2, 2009, at approximately 5:20 a.m., it appears that an unknown suspect intentionally became involved in a motor vehicle accident with the complainant while she was traveling in her vehicle, west bound in the 2700 Block of West Davis. When the complainant exited her vehicle to view the damage, the suspect insisted that she pull over into the apartment complex at that location so that he could give her his insurance information. When the complainant pulled into the apartment complex the suspect approached her vehicle, threatened the complainant with a knife and demanded that she get into his vehicle. The suspect drove the complainant to the 400 Block of North Cavender Street where he sexually assaulted her.

On August 15, 2009, at approximately 5:00 a.m., it appears that possibly the same unknown suspect intentionally became involved in a motor vehicle accident with another complainant as she drove her vehicle north bound on Marsh Lane near Forest Lane. The suspect grabbed the complainant from behind, threatened her with a knife and put her in his vehicle. The suspect drove the complaint to the rear of a shopping center and sexually assaulted her.

The suspect is described as a L/M/25-38/5'6" – 5'10", and weighing about 170 – 180 pounds with short black spiky hair, unshaven face and acne scars. The suspect was driving a Black Chevy Pick-Up 2 door single cab.

#### **Crime Prevention Tips**

If involved in a motor vehicle accident especially at times of day or night when there are few people around, in deserted areas or if the accident appears intentional, call 9-1-1 from your cell phone, remain in your vehicle with your doors locked and drive to an area that is well populated with people and lighted. (Service station, open business or police station) If possible write down the license plate of the vehicle that hit you. Do not get out of your vehicle until the police have arrived or you have trusted help.
