February 14, 2013

### **Dallas PAL and Herbert Marcus Elementary Event**

The Dallas Police Department's Police Athletic League (PAL) is assisting Herbert Marcus Elementary School to expand their gardening program to become the first recognized American Heart Association (AHA) garden in Dallas. The Media is welcomed to attend Phase I of this project that will be held on February 15, 2014, at 1:00 pm, at 2911 Northaven Road, Dallas TX 75229 (in the rear of the school adjacent to the portables). The program will build upon students' curriculum while incorporating AHA's goal toward decreasing obesity in children and gaining knowledge that will span future generations. The garden setting will help build positive relationships within their community and with police officers.

For more information, please contact Senior Corporal Glen Delgado at 469-265-1858.
