Dallas PAL and ASP of Dallas host Talent Show

Saturday, June 25, 2016, at 2:30 p.m., the Dallas Police Activities League (PAL) along with the All Stars Project of Dallas (ASP of Dallas) will host a free All Stars Talent Show Network event at Sam Tasby Middle School located at 7001 Fair Oaks Avenue, Dallas, Texas 75231. This is the first partnership between Dallas PAL and ASP of Dallas. Chief David O. Brown initiated this relationship, which uses ASP's proven methods of community outreach, performance methodology and bridge building to create a new kind of activity on the cutting-edge of police community relations.

This event is open to young people and community members of all ages. Now in its second year, the All Stars Talent Show Network involves inner-city young people ages 5 to 25 years old. You will be entertained with vibrant solo and group performances to include dance, synchronized step, rap, instrumentals and so much more. We encourage you to come out and support PAL and ASP, which is a nonprofit organization whose mission is to transform the lives of youth and poor communities.

If you have any questions, please contact the Media Relations Unit at 214-671-4065.
