Two Local Businesses Robbed By Masked and Armed Gunmen

Dallas police robbery detectives in conjunction with the FBI Violent Crimes Task Force are asking for the public's assistance in identifying suspects involved in two separate robbery offenses. The first robbery occurred on July 2, 2013, at the T-Mobile located in the 2600 block of Fort Worth Avenue. Two Latin males in their twenties entered the offense location, pointed guns at the store clerks and demanded cell phones. Both suspects had their faces covered and left the location in a stolen car with about \$40,000 in stolen cell phones. The suspects drove a short distance away and then changed vehicles, fleeing in a light colored SUV. Police detectives are also investigating a similar aggravated robbery that occurred on July 13, 2013, in the 11000 block of Harry Hines Boulevard where a shot was fired and approximately \$400,000 in property was taken. These offenses are documented on service numbers 167105-A and 178395-A.
