Dallas PAL and Starks Elementary Students Perform Musical

On Tuesday, November 12, 2013, at 6:00 pm, the Dallas Police Athletic/Activities League (PAL) and members of the Dallas Police Choir will join Dallas Independent School District 3rd, 4th and 5th graders at Starks Elementary School in performing a musical program called "Movin' In The Right Direction." This musical is designed to help build character and integrity in students through song and spoken text. PAL officers and Dallas Police Choir members have been learning the songs during the kids' music classes since September. The musical will be held at Starks Elementary School located at 3033 Tips Boulevard.

This music program is part of the Dallas Police Department's continuing efforts to engage our youth through PAL. PAL activities have expanded beyond the traditional athletic endeavors to include music and other fine arts.

For more information, please contact Lt. Sally Lannom at 214-671-4993.
