### **Jewelry Thief Caught on Camera**

One white male suspect cased the business before breaking in and taking money and keys from two open safes. He then unlocked two jewelry cases and took 5 additional women's rings.

His actions were captured by the store's surveillance camera. The police report number is 55344-B.

The suspect is described as a white male, between 25-35 years old. He is approximately 5'09" and weighs about 170 lbs. He was wearing a green beanie and green sweater; we would like to help him change his clothes in for jail overalls.
