Details: Over 200 volunteers from DPD and DFR will come together, with the Visiting Nurses Association (VNA) for the Inaugural Joint Day of Caring. Members from each department will deliver approximately 1,800 meals, perform smoke alarm checks and provide public safety and fire safety education materials to Meals on Wheels clients in the Dallas area.

Agenda (9:30 a.m. – 10:00 a.m.):

- Welcome
- Color Guard Presentation
- National Anthem
- Remarks from Fire Chief, David Coatney, Police Chief, U. René Hall and VNA President and CEO, Katherine Krause
- Deliveries Begin

Media: Chiefs Hall, Coatney, and Mrs. Krause will be available for interviews before they depart on their delivery routes. All three will be running one route, which has been designated as the “media route”; so your photographers can come along and get b-roll. Also, if your photographers can make it out about an hour ahead of time, Fire and Police Recruits will be distributing the meals to volunteers beforehand.
